The Beatles - While My Guitar Gently Weeps

```
  Am            Am/G        F#m7b5      F
  Am            G           D           E

  Am            Am/G        F#m7b5            F
I look at you all see the love there that's sleeping
Am          G           D        E
While my guitar gently weeps
  Am            Am/G        F#m7b5          F
I look at the floor and I see it needs sweeping
Am          G           C        E
Still my guitar gently weeps

A             C#m  F#m   C#m      Bm                  E
I don't know why nobody told you how to unfold your love
A             C#m F#m           C#m
I don't know how   someone controlled you
Bm                    E
They bought and sold you

  Am            Am/G        F#m7b5      F
I look at the world and I notice it's turning
Am          G           D        E
While my guitar gently weeps
  Am              Am/G      F#m7b5    F
With every mistake we must surely be learning
Am          G           C        E
Still my guitar gently weeps

  Am            Am/G        F#m7b5      F
  Am            G           D           E
  Am            Am/G        F#m7b5      F
  Am            G           C           E

A             C#m  F#m       C#m
I don't know how you were diverted
Bm                  E
You were perverted too
A             C#m   F#m      C#m
I don't know how you were inverted
Bm              E
No one alerted you

  Am            Am/G        F#m7b5            F
I look at you all see the love there that's sleeping
Am          G           D        E
While my guitar gently weeps
  Am            Am/G        F#m7b5            F
Look at you all...
Am          G           C        E
Still my guitar gently weeps

  Am           Am/G        F#m7b5      Fmaj7
  Am            G           D           E
  Am            Am/G        F#m7b5      Fmaj7
  Am            G           C           E
