

Maneskin - Beggin

Put your loving hand out, baby
'Cause I'm beggin'

Bm Bm Bm Bm

Bm **G** **Em**
I'm beggin', beggin' you
F#7

So put your loving hand out, baby

Bm **G** **Em**
I'm beggin', beggin' you
F#7

So put your loving hand out, darlin'

Bm **G**
Ridin' high, when I was king

Em **F#7**
I played it hard and fast, 'cause I had everything

Bm **G**
I walked away, you want me then

Em **F#7**
But easy come and easy go and it would end

Bm

So, any time I need ya, let me go

G

Yeah, any time I feed you, get me? No

Em

Any time I see you, let me know

F#7

But I planted that seed, just let me grow

Bm

I'm on my knees while I'm beggin'

G

Em

'Cause I don't wanna lose you

F#7

Hey yeah, ratatata

Bm **G** **Em**

I'm beggin', beggin' you

F#7

And put your loving hand out, baby

Bm **G** **Em**

I'm beggin', beggin' you

F#7

And put your loving hand out, darlin'

N.C. **G**
I need you to understand

Em **F#7**
Tried so hard to be your man

Bm **G**
The kind of man you want in the end

Em **F#7**
Only then can I begin to live again

Bm **G**
An empty shell, I used to be

Em **F#7**
The shadow of my life was hangin' over me

Bm **G**
A broken man, but I don't know

Em **F#7**
Won't even stand the devil's dance to win my soul

Bm
What we doin'? What we chasin'?

G
Why the bottom? Why the basement?

Em
Why we got good shit, don't embrace it?

F#7
Why the feel for the need to replace me?

Bm
You on the wrong way track from the good

G
I want to paint a picture tellin' where we could be at

Em
Like a heart in the best way should

F#7
You can give it away, ya had it and you took the bait

Bm
But I keep walkin' on

G
Keep rockin' dawns

Keep walking forward

Em
Now the court is yours

Keep browsin' halls

F#7
'Cause I don't wanna live in a broken home

Girl, I'm beggin'

Bm

Mhh ye-e-e-ah

G **Em***
I'm beggin', beggin' you

F#7

So put your loving hand out, baby

N.C.

I'm fightin' hard

G

To hold my own

Em **F#7**

Just can't make it all alone

Bm

I'm holdin' on

G

I can't fall back

Em **F#7**

I'm just a con about to fade to black

Bm **G** **Em**

I'm beggin', beggin' you
